

**Central Florida Water Initiative
Regulatory Team and Rule Development Workshop
Agenda
January 20, 2017 (1:00 PM)**

1. Introduction – Kristine Morris

Meeting Introductory Statement: The purpose of this meeting is to develop rules associated with the Notice of Rule Development published in the December 30th edition of the FAR. Please note this meeting is not a meeting of a Sunshine Committee. All attendees are free to provide written or oral comments at the appropriate time. Additionally, comments may also be directed to the CFWI Steering Committee during comment periods associated with those committee meetings. This meeting is being recorded. When providing oral comments today, please announce who you are before you speak and speak clearly. Also, please try to limit all background noise for those of you attending via teleconference, and please do not place this call on hold.

2. CFWI Introduction – Len Lindahl
3. Uniform conservation updates – Utility (Christine Russell & Mike Sweeney), Ag (Rebecca Elliott), I/C/I (Eric Olsen)
4. Uniform Demand (Krystal Azzarella)
5. Harm (Kristine Morris)
6. MFL/Reservation Consistency Discussion (Kristine Morris)
7. Schedule/Topic Table
