Interested individuals attending this meeting may observe the technical team's discussion, but please remember this is not a Sunshine Committee, and while not required, public comment of limited duration will be solicited at the end of each Technical Team meeting. Additionally, public input may be directed to the Steering Committee during comment periods. Please remember, that a brief summary is done for each meeting. Because we are not a Sunshine Committee, discussions are not detailed in those summaries. It is important that you announce who you are before you speak and speak clearly. And please try to limit all background noise for those of you attending via teleconference. In addition, phones should not be placed on hold.
